EDUCATION

University of Waikato
Bachelor of Computer Science
Recipient of Ko Te Tangata School leaver Scholarship.

WORK EXPERIENCE

New Zealand Couriers, 2021 - Present
Freight Sorter
- Obtained Dangerous Goods Certification, responsible for handling and processing dozens of Dangerous Goods daily.
- Effectively assisted team members with heavy lifts to ensure a safe working environment.
- Accurately sorted hundreds of packages daily, reducing missorts and delayed deliveries.

PERSONAL PROJECTS

Personal Portfolio
Astro Framework, HTML, CSS, JavaScript
- Independently learnt the Astro framework to develop a personal portfolio and deployed it using Vercel.
- Used HTML, CSS and JavaScript to create a component based website that is easy to scale and maintain.

NoRush (Ongoing)
Expo JS, Express JS, MySQL, MVC architecture, REST API
- Currently developing the backend of an ongoing personal project using Express JS connected to an MySQL database.
- Project will allow users to plan and share routes within the app - increasing communication between businesses.
- Implemented MVC architecture and RESTful principles to ensure that the project is scalable and robust.
